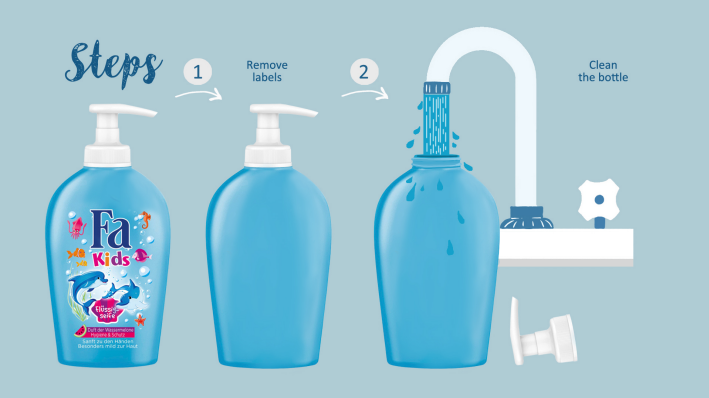
Knife

Thin
Marker

Choose and print a template available on our
platform for drawing guidance and laminate



Steps
1
Remove labels
2
Clean the bottle
Fa
Kids
Flüssig-Seife
Fa Kids
Gibt der Haut einen Hauch Sommer & Schaum
Sanft zu den Händen
Besonders mild zur Haut

3
Download the template you like and print it on A4 sticker
4
Turn the bottle upside down, place the print on the front and use the marker to mark the bottle
5
Use the utility knife to cut the front side of the bottle
6
Use the marker to draw on the back
7
Use the utility knife to cut the back side of the bottle
You can use a piece of sand paper to smooth all the edges

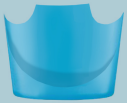
Final Shape

8

Use the printed template to laminate it on the bottle. Paint the dots inside the bottle

Hang the teddy bear on the wall and use it!

Bottom Remaining Part



9

Use the utility knife to cut a curved shape

10

Paint the front side / Paint the dots inside

Use the bottom part as a soap holder.

You can hang it on the wall next to teddy bear or place it on the bathroom sink.

Either way, your kids will have a fun

Bathroom Kit!
